

MEMORANDUM FOR: Mr. B an

25X1

Here is the DIS Commandant's Report for 1965 which you asked to see. Attached to it are the background papers reflecting the DCI's interest in having Secretary Vance know the extent to which the Agency is supporting the Defense Intelligence School.

Since we struck out in trying to get DIS to tell the Secretary about our support, I would like to try to get Frank Hand to do it. If you agree, I'll pass this Report to him and ask that he look for a propitious opening to raise this topic with Vance and get in a quick hot lick. Then we can go back to the DCI and tell him "mission accomplished."

*Ask Frank Hand
to keep in mind a favorable
opportunity for making known
our support to DIS, however,
this should be done in a
proper manner so as not to
offend DIS in any way.*
